"Dr. Sheldon is representing Nevada Association of School Superintendents in Washington DC at the American Association of School Administrators Governance and Advocacy Meeting. She met with Senators Reid and Heller as well as Representative Amodai and other congressional representatives from Nevada."

Kimi Melendy provided an update regarding federal programs. Ms. Melendy explained that Sue Chambers retired and Ms. Melendy and Mr. Jensen have shared her duties. Out of the eighteen grants, Mr. Jensen will oversee six of the grants, which consist of Early Childhood, Friends and Family Resources. The high school will oversee the CTE and Carl Perkins grants with support from Educational Services. Ms. Melendy will oversee the Title I Grants (Basic and Migrant), Title IIA Professional Development, Title VII Indian Education, Title III Immigrant, and Developmental Assets in partnership with Churchill Community Coalition. Ms. Melendy will prioritize due dates and will have support through her Title I Secretary (Celeste Keller). Ms. Melendy has been in contact with the State regarding training and support for new staff, scheduled in August. Ms. Melendy worked with Sue Chambers prior to her leaving the District and has learned E-Page, E-Note and other tools that support the grants.

Phyllis Dowd stated that there were only two appraisers interested in submitting a quote and recommended the lowest bidder - Johnson, Perkins and Griffin.

Trustee Schank made a motion, seconded by Trustee Koenig, *to select Johnson, Perkins and Griffin to do the appraisal of the Plummer's building*. There were no public comments. The motion passed unanimously; Trustees Hendrix and Whitaker were absent.

B. For Discussion and Possible Action: Approval of District's Technology Implementation Plan.

Kimi Melendy referred to the memo from Dr. Sheldon (in BoardBook), stating that the Technology, Media, Resources Committee met monthly this past school year to discuss the District's needs and listened to guest speakers regarding one-to-one devices. Four staff members attended the Future Ready Summit. A subgroup of the Technology, Media, and Resources Committee was formed with K-12 teachers, Ms. Melendy, Ms. Fleming, Ms.

Boone, and Amber Stein, District Librarian. This subcommittee has looked at various technology devices for student use in schools. C. For Discussion and Possible Action: Regarding the potential of reinstating the Dean of Students position at the high school.

Ms. Sharla Hales, legal counsel, stated that other questions surround this topic. As President Evans mentioned, negotiations would be brought back to the board for approval on consent.

Trustee Koenig made a motion, seconded by Trustee Hyde, **to reinstate the Dean of Students position**.

Deby Smotherman, Nevada Classified School Employees Association, voiced concern as everyone in the District has been asked to take on more duties. The high school already has two vice principals, they have 150 to 250 more students than the middle school, and they have not tried one year without the Dean of Students to see if they can manage without that position.

Darrin Hammer, Churchill County Juvenile Probation Officer for 16 years, stated that it was an honor working with Mr. Parsons, and that they are starting to bridge the gap with at-risk youth. He commented that the zero violent acts in the last reporting period was due to Mr. Parsons' assistance and affirmed that the Dean of Students position is a needed position.

Derild Parsons stated that he was willing to negotiate salary and commented that he is proactive and that attendance issues have gone down. The high school is losing a counselor, and removing the dean's position makes things more difficult.

There were no public comments. The motion passed unanimously; Trustees Hendrix and Whitaker were absent.

have. The superintendent is requesting Ms. Dowd's contract be revised to include the personal leave days (see Dr. Sheldon's memo in BoardBook).

Trustee Gent made a motion, seconded by Trustee Hyde, **to approve adding two extra days to Ms. Dowd's contract (personal leave) and make the accumulation of sick leave to 260 to match the number of days in her contract.** There were no public comments. The motion passed unanimously; Trustees Hendrix and Whitaker were absent.
